

Take the next step in helping us spread awareness by walking or running on Father's Day - June 21st - around your neighborhood, backyard, down the street, or around the block!

It's sure to be lots of fun with our Virtual Opening Ceremony, Best in Blue Contest and Special Feature Presentation!

Last year's event was a huge success with 1200 participants raising over \$250,000.00 with 100% of that money staying in BC! In total, over 3.7 million dollars has been raised over 22 years.
